1. Overview of poster presentation

- **Poster session; virtual platform**

Poster sessions will be held by using an interactive virtual event platform.

No poster will be displayed at the onsite venue.

Congress participants can view the posters above on the virtual platform.

Both poster presenters and congress participants are required to bring their own device (laptop, tablet or smartphone, etc.) that can connect to the free WiFi at the congress venue. Laptop or tablet is recommended because “Discussion Area (Video Call)” is not available for smartphone.

Please note that NO device rental service will be prepared.

Congress participants can send questions or comments to the presenters by chat or email through the virtual platform. You can also reply by chat or email, but it is not mandatory.

 **How to view poster presentation >> See page 5**
(How to submit comment by chat or email >> See page 8)

*Presenting author: ONSITE participation is required.

*Co-author or Congress participant: Online participation is acceptable.

1. Overview of poster presentation

- **Poster presentation style**

Free discussion

Poster presenters will answer questions from the congress participants at the table with their poster number.

 **Poster Room and Schedule >> See page 10**

A multilingual translation tool will be available for communications (voice or chat) by native languages.

 **How to use “Multilingual Chat Room” >> See page 11**

Presenters are requested to have face-to-face discussions with onsite participants. However, some presenters will attend remotely by video calling, “Discussion Area (Video Call)” on the virtual platform.

 **How to use “Discussion Area (Video Call)” >> See page 12**

2. How to view poster presentation

The screenshot shows the website for "The 8th Asian Congress of Dietetics". A red arrow points from the "Timetable" icon in the left sidebar to a callout box. Another red arrow points from the "Search Poster Presentations Presentations" button to a callout box. A third red arrow points from the first poster entry to a callout box. The website header includes "ONLINE CONFERENCE", "The 8th Asian Congress of Dietetics", and "1 people online". The left sidebar has links for Home, Timetable, Sponsor's Exhibitions, and Manual. The main content area has a "Poster Presentations" section with a "See Timetable Presentation Timetable" button and two search buttons. Below these are tabs for "Nutritional Biochemistry and Physiology", "Food Science", and "System, Education". The "Nutritional Biochemistry and Physiology" tab is active, showing a list of presentations. The first presentation is titled "[PS-1-1]Inhibitory effect of extract from Eucalypt" by Isao Suetake, with keywords "plant extracts, protein aggregation, a-synuclein," and a link to "Abstract(PDF)". The time slot "11:30~12:30" is shown. The second presentation is titled "[PS-1-2]Green tea Catechin EGCG could prevent" by Qiuyun Gu. The "Food Science" tab shows a presentation titled "[PS-1-13]Oxidative Stability of Oil Extracted from" by Kazue Onuki, with keywords "Pufferfish Liver, Carbonyl Value(CV), Acid Aalue(/" and a link to "Abstract(PDF)".

2. How to view poster presentation

The screenshot displays the 'The 8th Asian Congress of Dietetics' online congress interface. A sidebar on the left contains navigation links: Home, Timetable, Sponsor's Exhibitions, and Manual. The main content area shows a poster presentation with two figures (Fig. 5 and Fig. 6) and a 'Comment' section. A red arrow points from a callout box to the 'Comment' section. Another red arrow points from a callout box to the 'Email to presenter' button. A third red arrow points from a callout box to the 'Input your comment' text field. The interface also shows a '1 people online' status and a user profile icon.

Fig. 5. Confirmation of amyloid formation and inhibition. (A) CD spectra of the samples after fluid formation experiments in the absence and presence of different concentrations of H₂O and E. 2D spectra of the samples after fluid formation experiments in the presence of low and high concentrations of H₂O and E. 2D spectra (1.000 and 1.100).

Fig. 6. Evaluation of effect of EG extract on cytotoxicity induced by aSN in PC12 cells. PC12 cells were cultured in the presence or absence of 1.000, 1.500, and 1.1.000 (v/v) EG extract and observed under the phase contrast microscope at indicated time. (A) Scale bar: 100 µm. (B) LDH release (%) in the cells cultured under medium containing 1.000, 1.500 or 1.700 (v/v) EG extract for 24 hours were measured. In addition, aSN extract with or without pretreatment of 1.25 (v/v) EG extract was added to culture media to correspond to 250 µg/ml of aSN. Scale bar: or without 1.250 (v/v) EG extract for 24 hours.

Disaggregation of preformed fibrils

Graphical Abstract

【Graphic Result】

We found that the extracts from *Eucalyptus gunnii* have ability of inhibition of amyloid formation, disaggregation of preformed fibrils, and protection of the cell from the cytotoxicity of fibrils. Our study proposes the potential use of the extracts from *Eucalyptus gunnii* in health care and medicine.

2. How to view poster presentation

When you finish viewing a poster...

The screenshot shows the ACD2022 poster viewing interface. At the top, there's a header with "ss of Dietetics" and "1 people online". Below this, a search bar contains the text "a-synuclein, plant extracts, protein aggregation" and "08/19 11:30~12:30". A red speech bubble points to the search bar. Below the search bar, there are three buttons: "Abstract here", "Calendar Export", and "Add Presentation to". A red speech bubble points to the "Add Presentation to" button. To the right of these buttons, a red box contains the text "⑧ Click to move on to the next presentation". Below the buttons, there's a "Enter Full-screen" button. On the left side, there's a sidebar with the text "ACD2022 The 8th Asian Congress of Dietetics". Below this, there are three red boxes labeled "Title", "Authors & Affiliations", and "COI". To the right of these boxes, a red box contains the text "Poster #1-1". On the right side, there's a "Discussion Area" with an illustration of two people talking. Below this, there's a "Related Presentation" section. A red box highlights a green arrow button in the sidebar, with a red line pointing to it from the text "⑧ Click to move on to the next presentation".
